# 1. Gather Supplies

You will need...

**Chalk  
Markers**

**Fallen Leaves**

**Sharpie**  
(for details)

# 2. Draw!

TIP: If your chalk marker isn't drawing, shake the pen to mix the ink. Then press the tip of the marker onto a spare sheet of paper until the ink makes its way down to the tip.

# And that's it!

How many designs can you  
come up with?
